AGENDA

Keep Alliance Beautiful Commission

January 22, 2018

5:00 p.m.

Approve Minutes:

Moved:

Second:

Old Business: In 2018, KAB Commission meeting will meet quarterly instead of every other month. America Recycles Day would have been a tire clean up with collaboration from the street dept. Due to limited timing, and prior commitments from the street department, we were unable to launch this event. Planters were cleaned out in October, Litter index was also completed.

New Business: Review of the positive impact of the new recycling totes. More funds are available from recycling to mow the Chronic Violators properties more often than last year. Progress on the NIP program. Quotes will be asked for this year's upcoming planters on Main Street. Suggestions on what flowers/bushes to plant.

Other Business: none

Schedule next meeting: Monday, April 23, 2018

Adjournment:
