## Replat Checklist

The following information **MUST** be included with all Replats submitted for review and processing in order to constitute a complete Replat Package. **Incomplete applications will not be processed. All applicable requirements will be strictly enforced.**

### Complete Replat Package Includes:

- This completed form
- Application
- 20 Copies of the Plat
- One 8"x11" or 11"x17" Reduced Copy of Plat

Please check the following items to ensure the plat has complied with the City of Alliance's Replat Requirements. These are the minimum requirements. The surveyor is responsible to provide any and all other information that is pertinent to replat. All items must be checked unless an item is not applicable to this particular project; whereas, "N/A" should be written beside the box. Failure to include all applicable items will constitute an incomplete submittal. **Incomplete submittals will not be processed. All applicable requirements will be strictly enforced.**

### Plat Requirements

- All sheets must be either 24"x36" or 18"x24". A larger sheet size must be approved prior to submittal. The final signed copy must be on a mylar sheet.
- The drawing scale must be appropriate for the detail of the plan. The scale must be either 1"=10', 20', 30', 40', 50', 60', or 100'. A different drawing scale must be approved prior to submittal.
- Include a North arrow.
- All replats must be stamped and signed by a Professional Surveyor licensed to practice in the State of Ohio.
- All plans must be computer generated. Copies of the final set of plans must be submitted in a ".dwg" format on a CD prior to the plans being signed.
- Replats must be referenced to the Alliance Mapping System. Please contact \_\_\_\_\_ the Engineer's office for reference points for your project location.
- Show and label the road right of way as "R/W" and all property lines as "P/L".
- Show and label adjacent roadways with right of way widths along with the bearings and distances of the centerlines.
- Label all lot lines with the correct bearings and distances, either all clockwise or counterclockwise.
- Show and label any existing structures for a proposed lot split. Dimension structures and tie the corners to the property or right-of-way lines. Only show on the 20 Planning Commission copies; when approval is given, do not show the structures on the mylar.
- Show and label all existing easements.
- Label the site's parcel number, City Lot or Outlot number, zoning category, owner's name, and acreage of the site.
- Label adjacent properties' parcel numbers, City Lot or Outlot numbers, zoning category, owner's names.

- Show the location of the parcel with respect to the intersection of two roadways (this may be done with a dimensional tie).
- Label the basis of bearing.
- For replatted lots over one acre that the City must assign a new outlot number provide the follow: "O.L. \_\_\_\_\_".
- Show and label all street centerline monuments.
- Show and label all lot corners found and/or set.
- Include all necessary signature blocks. This information can be obtained from the Engineering & Building Department.

The Engineering & Building Department will review the replat when it has been processed. If there are any comments, the applicant will receive the comments by fax and mail. Three copies of the revised replat must be submitted with a response letter addressing each comment. If a response letter is not received, the replat will not be reviewed. Ample time should be given to allow for review of the resubmittals. *(The week of Planning Commission is typically insufficient time to review the resubmittals prior to Planning Commission.)*
