

Catholic Workers Group Gardens

*3 Gardens: 820 South Linden Street; 830 South Freedom Street;
& the 600 block section of South Arch Street, Alliance.*

The gardens, tended by members and friends of the Catholic Workers Group, include:

The Resurrection Garden at 820 South Linden Street; the Joshua Casteel House/St. Francis Garden at 830 South Freedom Street; and the Peter Maurin Garden located in the 600 Block area of South Arch Street

Each location consists of either masonry brick raised-bed gardens, or standard plot-type gardens. A variety of produce is planted each season, including tomatoes, peppers, cabbage, cucumbers, lettuces, and various herbs.

Produce harvested from the gardens is delivered and used by the kitchen located at the Joshua Casteel House, which provides a meal service to the local community three times each week (Sunday afternoon, Monday evening, and Wednesday afternoon).
